

Need help paying for quality child care?

Do you know about Mixed Delivery?

Virginia's Mixed Delivery program provides full-day, year-round preschool and child care for eligible infants, toddlers, and preschoolers – **at no charge to qualifying families.**

Through Mixed Delivery more of Virginia's littlest learners are able to experience high quality preschool and child care and get ready for kindergarten success. High quality preschool and child care experiences give young children opportunities to learn and practice important academic and social/emotional skills – like early math, literacy, and increased independence.

Is my child eligible?

Your child must meet one of the eligibility criteria below:

- Child's family has an income at or below 200% of the federal poverty level *(this is calculated through a series of thresholds based on family size and composition)*
 - Child's family is experiencing homelessness
 - Child's parents or guardians did not complete high school
 - Child has identified disability or receives early intervention

For details email Kristen Carter at carterKJ@evms.edu

Please see reverse side for information on these participating centers:
