and Data Manager

Kelly Brenner
BrenneKM@odu.edu
Program Engagement
Assistant

Letitia Rendon
RendonLM@odu.edu
Quality Assurance
Coordinator

“The QUAD”- Data and Quality Assurance

The Quad ensures collaboration between the team and local observers to complete observations per VQB5 guidelines. We develop strategies for observation scheduling/completion, establish observation policies and guidance for internal and contracted local observers conducting observations under RRSE, monitor regional progress in LinkB5, and ensure key quality assurance measures are upheld (Fidelity Checks, Calibrations, and Double Coding).

Ja’Ron Vanderhall *Jvanderh@odu.edu*
Child Care Capacity Coordinator

Child Care Capacity

Focused on providing technical assistance and resources to existing childcare programs and family day homes with a goal to expand capacity. Supporting facilities with becoming childcare subsidy providers by connecting with existing resources. Serves as the community liaison between Minus 9 to 5 and childcare providers to maximize childcare spaces, funding resources & implementation of innovative ideas leading to access high quality childcare access.

Beth Parker, MSEd *ParkerEK@odu.edu*
Associate Director for Minus 9 to 5

Provides leadership and oversight for Minus 9 to 5's Collective Impact initiative focused on the cities of Chesapeake, Norfolk, Portsmouth, Suffolk and Virginia Beach.

Tyler Savage

SavageTL@odu.edu
Outreach and
Communications
Coordinator

Outreach and Communications

Focused on the communication and social media plans and strategies to raise Minus 9 to 5 and Ready Region awareness. Developing creative communication materials and maintaining positive relationships & partnerships with the community.

Daissy Torres, MHA
D1Torres@odu.edu
Maternal & Child
Health Referral
Coordinator

Collective Impact

Focused on reducing maternal morbidity and mortality, increasing community engagement, and fostering regional collaboration, in accordance with the goals of Virginia Title V.

Ashley Stoddard

StoddaAM@odu.edu
Collective Impact
Assistant

Laney Bueno

Lbueno@odu.edu
Collective Impact
Coordinator

Collective Impact

Our goal is to improve outcomes for our South Hampton Roads' children, ensuring that our children are healthy, thriving and ready to learn. We focus on reducing maternal morbidity and mortality, increasing community engagement, and fostering regional collaboration.

Lauren Gray *GrayLJ@odu.edu*
Assistant Director for Early Care and Education

Supports the Executive Director in Ready Region Southeastern operations. Ensures successful deployment of VQB5 programming. Works closely with all moving parts to ensure smooth implementation and support throughout the implementation year.

Kim Ross

Program Engagement Assistant

Cameron Daniels
C1Daniel@odu.edu
Program Engagement Assistant

“The POD”- Program Success

This team supports VQB5 programs in providing resources, CLASS trainings, sharing information about VQB5, RecognizeB5 educator incentives, classroom coaching, and much more. This team makes site visits to get to know you and your programs so we can continue to have successful programs! Also, if you are a provider, join us at Leader's Round Table twice a month on Wednesdays at 12:30pm. More information in our Newsletters!

Roshawnda Johnson
R5johnso@odu.edu
Family Engagement Coordinator

Setina Anthony
AnthoSS@odu.edu
Mixed Delivery Coordinator

Tanesia Holley
HolleyT@odu.edu
Mixed Delivery Assistant

“ECAT”- Early Childhood Access

This team supports early childhood care and education. The **Mixed Delivery Program** provides high quality early childhood care and education to eligible childcare for infants, toddlers, and preschoolers at low to no cost for qualifying families in the region. **Coordinated Enrollment** ensures high quality early childhood care and education for all Virginia families and identifies current needs and opportunities for improving ECCE enrollment for families across the state. Through the **Family Councils**, we provide opportunities for families to offer guidance and input on early childhood decisions that matter the most to them.
